PIN-CH 2026-11 EN 02

PIN-CH®

Changeable | Flexible | Effortless assembly

The key to easy furniture life.

It's PIN-CH perfect!

One foot holder fits loads of foot parts

ACKURAT

PIN-CH®

The PIN-CH® system is based on the ability to easily replacing the foot part when it is worn out or when moving furniture to another floor surface.

Foot parts

PIN-CHF
Suits furniture legs with angles from 0 to 15 degrees.

PIN-CHA
- Several fixed angles
- Antirotation solution

PIN-CHP
Plane, simple, sleek or stylish? Everything!

Foot holders

For tube legs

PIN-T

For wooden legs

PIN-W

A big plus

Softer plastic material in the foot holder gives a sound reducing solution.

Effortless assembly

Changeable

Easy to replace when worn out

Recyclable

Change the foot part, NOT the furniture

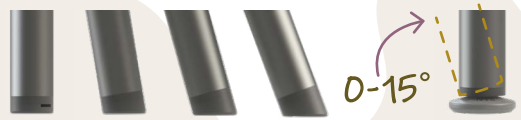
Change appearance! Bigger or smaller?

Easy to find! Marked parts, just google.

Flexible

With or without felt depending on the floor

Find a PIN-CH for every leg



Need another angle or a matching colour? Contact us!
