

PIN-CH® foot part for cantilever – curved

PIN-CHSR

Curved foot part for our flexible PIN-CH® system where you choose the foot part depending on floor surface and furniture design. The foot part is mounted in the foot holder with a click and removed with, for example, a screwdriver. Suitable for school chairs and other furniture with horizontal tubes.

Used together with foot holder **PIN-SR**.

The PIN-CH® system is based on the ability to easily replacing the foot part when it is worn out or when moving furniture to another floor surface. The components are marked to make it easier to find new parts.
