PIN-CH®

Changeable | Flexible | Effortless assembly

The key to
easy furniture life.

It's PIN-CH
perfect!

 **ACKURAT**

PIN-CH®

The PIN-CH® system is based on the ability to easily replacing the foot part when it is worn out or when moving furniture to another floor surface.

Foot parts

PIN-CHF

Suits furniture legs with angles from 0 to 15 degrees.

PIN-CHA

- Several fixed angles
- Antirotation solution

PIN-CHP

Plane, simple, sleek or stylish? Everything!

For tube legs

PIN-T

Foot holders

PIN-W

For wooden legs

A big plus

Softer plastic material in the foot holder gives a sound reducing solution.

Changeable

Easy to replace when worn out

Recyclable

Change the foot part, NOT the furniture

Change appearance! Bigger or smaller?

Easy to find! Marked parts, just google.

Effortless assembly

Click on!

Snap off!

Anti rotation solution

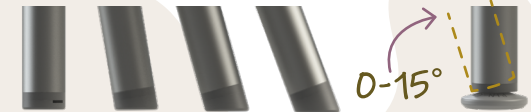

Flexible

With or without felt depending on the floor

Find a PIN-CH for every leg

Need another angle or a matching colour? Contact us!
